PRAYERS FOR PREGNANCY CENTER CLIENTS

- Send Your Angels, O Lord, to assist all who are tempted to abort, and to all, including Crossroads staff, who work to persuade them to choose life.
- Lord, I pray for all whose sadness tempts them to abortion. Give me and Crossroads staff the courage to reveal Your loving presence to them.
- Lord, protect all those who may become victims of the malice and negligence of the abortion industry – not only the unborn babies but their vulnerable young mothers.
- Lord, remove all fear from the hearts of those who are pregnant, and fill them with Your peace and joy.
- Lord, intercede for mothers who are having difficulties in pregnancy and childbirth, and show Crossroads staff and our Christian community how to help them.
- Lord, instill in all fathers and mothers a deep sense of responsibility for their children, born and unborn.
- Lord, I pray for all those who have had abortions. Through the compassion of others, may they turn to You for forgiveness, and may You grant them Your Peace.
- Come, God of hope; lift up all burdened by their abortion. Make them whole again.

PRAYERS FOR PREGNANCY CENTER STAFF

- Lord, bless all, including Crossroads staff, who counsel others against abortion. May they effectively announce the power of Your grace.
- Lord, may all, including Crossroads staff, reach out to those who are tempted to abort because they feel alone, that they may know that we and You are with them.
- Holy Spirit, come and work through Your people to build the Culture of Life. Keep us close to You; fill us with Yourself.
- Lord, give all who work for the pro-life cause the wisdom to cooperate with everyone in the fundamental task of saving lives.
- Strengthen Your people, Lord, to fight the greatest injustice of our times, which is abortion.
- Lord, may the joy of Your birth give us the strength to be more active than ever in the pro-life cause for You our Lord forever and ever.
- Holy Spirit, breathe on us and renew within us the fullness of life and the strength to defend it.
