LOOKING AHEAD

Goals for 2023

01 Grow our Crossroads Prayer Partners initiative within the church community

02 Partner with priests/pastors to reach women in need of our Abortion Healing Services

03 Partner with church leaders to help inspire and equip church communities to love on single and pregnant young women and their families

04 Add Abortion Pill Reversal to our list of services

05 Expand Outreach Services to reach more young women in local colleges/high schools

06 Expand Baby Bottle Fundraising into Christian schools and more churches

CLIENT STORY

“Can you help me to not have an abortion?”

Marie went on to say that her doctors were **pressuring** her to abort the baby in her womb because of potential birth defects. Already a mother of 5, Marie was determined to parent, and she needed someone who would stand with her to say that **ALL lives have value**, including baby Leylah! Crossroads staff offered Marie emotional and spiritual support throughout her pregnancy, delivery and even today.

After birth, Baby Leylah was officially diagnosed with Trisomy 18, a diagnosis often paired with dim prospects on life expectancy and quality. Despite being underestimated at every turn with surgeons refusing to perform needed surgeries, **she has defied the odds in her first year of life!**

As they continue to fight for their baby, Marie and her husband often say to each other, “If Leylah wasn't here, what would we be doing? **This is how our life is supposed to be and it is perfect!**”

When women seek help here, they're welcomed into the Crossroads family. Crossroads strives to provide help that reaches beyond pregnancy resources and touches the woman's soul. In the words of St. Paul “...I have become all things to all people, so that I may by all means save some.”
1 Corinthians 9:22

CELEBRATING 20 years of Ministry

With the blessing of Bishop Oscar A. Solis, pastor of the St. Joseph Co-Cathedral at the time, and the cooperation of devoted parishioners, Crossroads Pregnancy Resource Center (CPRC) was carefully and intentionally launched in 2003.

Founding member, Alida Cochran, reflecting on the origins of CPRC said, "With the closest crisis pregnancy center located over an hour away, **our area needed a physical place where women and girls could get the confidential, non-judgmental help they needed from individuals who understood the specific care they needed.**"

Over the last 20 years, Crossroads Pregnancy Resource Center has served more than **4,000 women.**

"Simply put, **God has protected and provided for Crossroads all along,**" said Cochran. "The ministry serves our community in a mighty way and is at its best now and will only continue to grow. I am continuously impressed by board membership and devoted staff who carefully maintain this organization."

When asked about her hopes for the next 20 years, Cochran said, "I pray that God will continue to show us how to best serve the women who need our services the most. I also pray that more and more women and men choose abstinence, but when faced with an unplanned pregnancy, that Crossroads will be there for them."

VOLUNTEER SPOTLIGHT

E.D. WHITE CATHOLIC HIGH SCHOOL PRO-LIFE CLUB

As a non-profit, multi-service pregnancy resource center, we rely on community support in many different facets of our ministry. Volunteers are a crucial component of our mission.

We are grateful for relationships with local institutions like E.D. White Catholic High School, whose students from the Pro-Life Club have been committed to proliferating our mission through service for several years. In 2022, under the leadership of Mrs. Emily Chiasson, the Pro-Life Club students have helped with outreach initiatives including Community Baby Supply Distributions, and the National Life Chain on Respect Life Sunday. They have hosted "Baby Showers" to restock our Baby Boutique, volunteered in the center and at the Respect Life Dinner.

These students are always eager and willing to help with whatever they can, bringing positive energy every time they come to volunteer. They

are an inspiration for this generation and the next in the fight for the culture of life!

CROSSROADS

prayer partners

"..so there may be no division in the body of Christ, but that the members may have the same care for one another. And if one member suffers, all the members suffer with it; if one member is honors, all the members rejoice with it."

-1 Corinthians 12:25-26

Crossroads Pregnancy Resource Center knows that ultimately our battle is spiritual. Our enemy wants pregnant women in crisis to give in to a culture of death and darkness, and our staff offers light, hope and life. To help us fight this battle, we need your prayer support.

One goal for 2023 is to have round-the-clock prayer coverage for mission, staff, and the families we serve. We invite YOU to help us meet this goal!

Visit our website for more information on how to partner with us through prayer.

Ten Truths About Pregnancy Centers

#01

MYTH: Most fake ‘clinics’ are unlicensed, so they don't fall under medical board requirements.

TRUTH: It is important that medical professionals operate with licenses to help protect clients and patients from being harmed. To meet this standard, medical services at pregnancy help medical clinics are overseen by thousands of licensed medical professionals who fall under the same laws and codes that regulate the medical profession within each state.

Ten Truths About Pregnancy Centers

#02

MYTH: Crisis Pregnancy Centers Rely on Deception

TRUTH: Women deserve truth and honesty when seeking care and support in an extraordinary time of need, such as an unexpected pregnancy. To ensure that this basic need is met, pregnancy centers adhere to a national code of ethics called, “Our Commitment of Care and Competence” (CCC), which addresses the vital importance of truthfulness in communications.

Ten Truths About Pregnancy Centers

#03

MYTH: “Crisis centers are intentionally positioning themselves in or around black or minority neighborhoods.”

TRUTH: Minority women deserve full access to pregnancy and parenting support. Some pregnancy help centers are located in or near black neighborhoods because sadly, abortion disproportionately impacts the black community.

*My favorite thing about
Crossroads is ...*

*the kindness you all
show to us all. Becoming
a parent is not the
easiest thing to do, and
I'm glad to have gone
to you guys and for you
to be a part of my
journey.*

My favorite thing about Crossroads is ...

you guys are very helpful and understanding. You don't mind helping in the time of need. I'm thankful to have you guys in my life. It's so heartwarming when you know, no matter what, you have someone there you can lean on and talk to at any time.

*My favorite thing about
Crossroads is ...*

*how they help with any
situation you may need
to the best of their abil-
ity- like a real
family.*

*My favorite thing about
Crossroads is ...*

*the constant encour-
agement and prayers. It
uplifts me, and I share
it with other moms to
uplift them.*
